LETTER FROM THE BOARD

THE AGREEMENT

Pursuant to the Agreement, Enhancement agreed to sell and Join Ally agreed to purchase the entire issued share capital of Guru Star and Enhancement also agreed to assign the related shareholder's loan to Join Ally.

(a) Date

8 March 2010

(b) Parties

- (i) Vendor : Enhancement
- (ii) Purchaser : Join Ally, an indirect wholly-owned subsidiary of the Company

(c) Information of the Guru Star Group and the Property

Guru Star is an investment holding company and the sole asset of significance held by the Guru Star Group is the Property. The Property is a completed 20-storey commercial and office building situated at the junction of Beijing Road (北京路), Nanti Er Road (南堤二馬路) and Baqi Er Road (八旗二馬路), Yuexiu District, Guangzhou, Guangdong Province, PRC and known as Newsun Commercial Building (新光商務大廈) with a gross floor area of approximately 13,000 square metres. The Property is currently leased out for rental income with occupancy rate of approximately 85%.

The market value of the Property as at 31 December 2009 and 8 March 2010 was both RMB185,000,000 (equivalent to approximately HK\$210,227,000) based on the valuation by Savills, an independent valuer. Comparing with the market value of the Property of RMB185,000,000 (equivalent to approximately HK\$210,227,000), the average price per square metre of the Property is approximately RMB14,230 (equivalent to approximately HK\$16,170). The original cost of the Property acquired by the Guru Star Group in May 2005 was approximately RMB95,000,000 (equivalent to approximately HK\$108,000,000).

The Property is currently mortgaged to a bank and the outstanding mortgage loan amount as at 31 January 2010 was approximately RMB39,027,000 (equivalent to approximately HK\$44,349,000).

LETTER FROM THE BOARD

The audited net profit before and after tax attributable to the Guru Star Group for the year ended 31 March 2008 were approximately HK\$14,864,000 and HK\$11,026,000 respectively. The audited net loss before and after tax attributable to the Guru Star Group for the year ended 31 March 2009 were approximately HK\$16,825,000 and HK\$12,699,000 respectively. Such losses, being non-cash items, were primarily due to the drop in the carrying value of the Property after the Global Financial Crisis in the second half of 2008 which resulted in a revaluation loss of approximately HK\$21,537,000 for the year ended 31 March 2009. As the global economy has been steadily recovering in 2009, the market value of the Property rebounded to RMB185,000,000 (equivalent to approximately HK\$210,227,000) as at 31 December 2009.

As at 31 January 2010, the unaudited consolidated net assets of the Guru Star Group (which has already taken into account of the revaluation of the Property to its market value) was approximately HK\$101,085,000 (equivalent to approximately RMB88,954,800) and the amount of related shareholder's loan was approximately HK\$43,126,000 (equivalent to approximately RMB37,950,880).

The unaudited consolidated net assets of the Guru Star Group as at 31 January 2010, which includes cash and bank balance of HK\$10,822,000 is based on its audited financial information as at 31 December 2009 and its unaudited management accounts for one month ended 31 January 2010. A provision for deferred tax of HK\$29,271,000 on revaluation gain of the Property has been made in the management accounts and has also been taken into account in determination of the unaudited consolidated net assets of the Guru Star Group as at 31 January 2010.

However, it is the intention of the Directors to hold the Property as an investment property for long-term rental purpose and not for re-sale in the coming years. Hence, the provision for deferred tax of HK\$29,271,000 is expected not to become payable by the Guru Star Group in foreseeable future until such time when the Property is disposed in future years.

An analysis of the unaudited consolidated net assets of the Guru Star Group as at 31 January 2010 is as follows:

	<i>HK\$'000</i>
Carrying value of the Property	210,227
Cash and bank balance	10,822
Other assets	299
	<hr/>
Total assets	221,348
Less: Bank mortgage loan	(44,349)
Shareholder's loan	(43,126)
Provision for deferred tax	(29,271)
Other payables	(3,517)
	<hr/>
Unaudited consolidated net assets as at 31 January 2010	101,085
Shareholder's loan to be assigned	43,126
	<hr/>
Consideration for the Acquisition	<u>144,211</u>

Upon completion of the Agreement, Guru Star will become a wholly-owned subsidiary of Join Ally, which in turn is an indirect wholly-owned subsidiary of the Company.

LETTER FROM THE BOARD

(d) Consideration and Payment Terms

The aggregate cash consideration for the acquisition of the entire issued share capital of Guru Star and the assignment of related shareholder's loan is HK\$144,211,000 which is determined by reference to the unaudited consolidated net assets of the Guru Star Group together with the shareholder's loan as at 31 January 2010 and was agreed at after arm's length negotiations between the parties.

The aggregate cash consideration of HK\$144,211,000 will be payable in the following manners:

- (i) a refundable deposit of HK\$14,421,100 has been paid upon signing of the Agreement; and
- (ii) the balance of the consideration of HK\$129,789,900 will be paid upon completion of the Agreement.

(e) Completion of the Agreement

Completion of the Agreement is subject to and conditional on the following conditions being fulfilled or waived:

- (i) the passing of an ordinary resolution by the Independent Shareholders at the EGM to approve the Acquisition;
- (ii) the passing of an ordinary resolution by the independent shareholders of Chinney at the Chinney EGM to approve the Acquisition;
- (iii) if applicable, the granting of consent from bank or other third parties which are necessary in connection with the execution of and to give effect to the transactions contemplated under the Agreement and each of the documents to be executed on or before the completion of the Agreement having been obtained by the vendor and/or the purchaser;
- (iv) there having been no breach by the vendor of any obligations, undertakings, representations and warranties under the Agreement;
- (v) there having been no breach by the purchaser of any obligations, undertakings, representations and warranties under the Agreement; and
- (vi) the purchaser having been reasonably satisfied with the results of the due diligence review on the Guru Star Group.

Completion of the Agreement shall take place within three business days immediately after all of the conditions are fulfilled or waived (or such other date as the parties may agree in writing).

REASONS AND BENEFITS FOR THE ACQUISITION

The Group's core business is to develop real estate properties for sale and to hold investment properties for rental income. The Property is a completed 20-storey commercial and office building very well situated at the junction of Beijing Road (北京路), Nanti Er Road (南堤二馬路) and Baqi Er Road (八旗二馬路), Yuexiu District, Guangzhou, Guangdong Province, PRC and known as Newsun Commercial Building (新光商務大廈).

LETTER FROM THE BOARD

The Company had proposed the acquisition of the Property in the third quarter of 2008 through acquisition of the entire issued share capital of Guru Star together with the assignment of related shareholder's loan. For details, please refer to the announcement dated 17 September 2008 and the circular dated 30 September 2008.

With the benefit of hindsight, the 2008 proposed acquisition, albeit in the best interests of the Group, was proposed at the not so appropriate time when the property and the stock market sentiment as well as that of the shareholders' was bewildered by the uncertainty of the Global Financial Crisis triggered by the Lehman Brothers debacle in September 2008 while on the other hand, market comparables from nearby properties were not readily available to the shareholders to evaluate and form an opinion as to the intrinsic value of and benefit for the Group to acquire the Property as construction works of the Group's commercial/residential project, now known as No. 5 Residence (北京路5號公館) adjoining to the Property, had not been completed and pre-sale of units was yet to commence.

Now that the Global Financial Crisis is well on the track of steady recovery as a result of the enormous stimulus measures taken by most major countries all around the world, with China in particular, coupled with the fact that construction works of No. 5 Residence (北京路5號公館) has been fully completed and sale of the residential units on top of the basement carpark, ground floor shops and the commercial podium floors has been very encouraging. As at the Latest Practicable Date, 99% of those available residential units have been sold for an average price of slightly over RMB16,000 (equivalent to approximately HK\$18,182) per square metre. The most valuable ground floor shops, the commercial units at the podium floors and carpark at the basement will all be held as long term investment for recurrent rental income of the Group. Two adjoining sites to No. 5 Residence (北京路5號公館) along Beijing Road (北京路) owned by the Group will soon be developed which, when wholly completed and upon successful acquisition of the Property, will command a combined shop frontage of over 200 metres along Beijing Road (北京路) and Nanti Er Road (南堤二馬路) which will substantially enhance the overall merger value of the combined project as a whole.

Besides combining the shop frontage and the commercial podium floors of the Property with No. 5 Residence (北京路5號公館) and the two adjoining sites to be developed, one added benefit for the Group to acquire the Property is that the existing entrance and exit for the basement carpark of the Property can be utilized by and shared with No. 5 Residence (北京路5號公館) as well as the two adjoining sites without the necessity of providing an exit for cars towards Beijing Road (北京路), thus will save some valuable shop spaces and increase the commercial value of the over 200 metre shop frontage along Beijing Road (北京路) and Nanti Er Road (南堤二馬路) without being unduly disrupted by an exit for cars.

Pursuant to Savills' valuation report, the current monthly rent of the Property is approximately RMB870,000, inclusive of management fees. This monthly rent, assuming on fully let basis, could therefore be up to approximately RMB1,000,000 or approximately RMB12,000,000 per annum. With the market value of RMB185,000,000 for the Property, the gross return on investment for the Acquisition looks attractive. Further, it is the general market consensus nowadays that acquisition of rental property at choice location in PRC with consideration payable in Hong Kong dollars would be to the benefit of the purchaser.

The Directors are of the opinion that the terms of the Acquisition are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

FINANCIAL EFFECTS OF THE ACQUISITION

After completion of the Acquisition, the total rental income of the Group will be increased upon consolidation of the Guru Star Group. In addition, in view of the profitability of the Guru Star Group in the past years, the Acquisition is expected to enhance the future earnings of the Group.

LETTER FROM THE BOARD

PRINCIPAL FACTORS TAKEN INTO ACCOUNT

In arriving at our opinions and recommendations to the Independent Board Committee and the Independent Shareholders in respect of the Acquisition, we have considered the principal factors and reasons set out below:

I. Background and Reasons for the Acquisition

The Company is an investment holding company. The Group is mainly engaged in property development, property investment and property related businesses.

On 8 March 2010, Join Ally, an indirect wholly-owned subsidiary of the Company, as purchaser, entered into the Agreement with Enhancement, as vendor, for the acquisition of the entire issued share capital of Guru Star and the assignment of related shareholder's loan to Join Ally for an aggregate cash consideration of HK\$144,211,000. As at 31 January 2010, the unaudited consolidated net assets of the Guru Star Group (which has already taken into account of the revaluation of the Property to its market value) was approximately HK\$101,085,000 and the amount of related shareholder's loan was approximately HK\$43,126,000.

Guru Star is an investment holding company and the sole asset of significance held by the Guru Star Group is the Property. The Property is a completed 20-storey commercial and office building situated at 3 Beijing Road, Yuexiu District, Guangzhou, Guangdong Province, PRC and known as Newsun Commercial Building. The Property is located at the road junction of

LETTER FROM MENLO CAPITAL

Beijing Road, Nanti Er Road and Baqi Er Road and currently leased out for rental income with occupancy rate of approximately 85%. The market value of the Property as at 31 December 2009 and 8 March 2010 was both RMB185,000,000 (equivalent to approximately HK\$210,227,000) as revalued by Savills. The Property is currently mortgaged to a bank and the outstanding mortgage loan amount as at 31 January 2010 was approximately RMB39,027,000 (equivalent to approximately HK\$44,349,000).

The Company had proposed the acquisition of the Property in the third quarter of 2008 through the acquisition of the entire issued share capital of Guru Star together with the assignment of related shareholder's loan.

With the benefit of hindsight, the 2008 proposed acquisition, albeit in the best interests of the Group, was proposed at the not so appropriate time when the property and the stock market sentiment as well as that of the shareholders' was bewildered by the uncertainty of the Global Financial Crisis triggered by the Lehman Brothers debacle in September 2008 while on the other hand, market comparables from nearby properties were not readily available to the shareholders to evaluate and form an opinion as to the intrinsic value of and benefit for the Group to acquire the Property as construction works of the Group's commercial/residential project, now known as No. 5 Residence adjoining to the Property, had not been completed and pre-sale of units was yet to commence.

Now that the Global Financial Crisis is well on the track of steady recovery as a result of the enormous stimulus measures taken by most major countries all around the world, with China in particular, coupled with the fact that construction works of No. 5 Residence has been fully completed and sale of the residential units on top of the basement car parks, ground floor shops and the commercial podium floors has been very encouraging. As at the Latest Practicable Date, 99% of those available residential units have been sold for an average price of slightly over RMB16,000 (equivalent to approximately HK\$18,182) per square metre. The most valuable ground floor shops, the commercial units at the podium floors and car parks at the basement will all be held as long term investment for recurrent rental income of the Group. Two adjoining sites to No. 5 Residence along Beijing Road owned by the Group will soon be developed which, when wholly completed and upon successful acquisition of the Property, will command a combined shop frontage of over 200 metres along Beijing Road and Nanti Er Road which will substantially enhance the overall merger value of the combined project as a whole.

Besides combining the shop frontage and the commercial podium floors of the Property with No. 5 Residence and the two adjoining sites to be developed, one added benefit for the Group to acquire the Property is that the existing entrance and exit for the basement car parks of the Property can be utilized by and shared with No. 5 Residence as well as the two adjoining sites without the necessity of providing an exit for cars towards Beijing Road, thus will save some valuable shop spaces and increase the commercial value of the over 200 metre shop frontage along Beijing Road and Nanti Er Road without being unduly disrupted by an exit for cars.

It is the intention of the directors of the Company to hold the Property as an investment property for long-term rental purpose and not for re-sale in the coming years.

The holding of investment properties for rental income is one of the core business operations of the Group and the sole asset of the Guru Star Group is the Property currently leased out for rental income. Accordingly, we are of the view that the Acquisition is in line with the ordinary course of business of the Group.

LETTER FROM MENLO CAPITAL

Having considered that (i) the acquisition of the Property, which is adjoining to the Company's three investment/development projects, one completed and two under development, will substantially enhance the overall merger value of those three projects owned by the Group along Beijing Road; and (ii) it is the general market consensus that acquisition of property at choice location in the PRC with consideration payable in Hong Kong dollars would be to the benefit of the Group, we are also of the view that the Acquisition is in the interests of the Company and the Shareholders as a whole.

II. Terms of the Acquisition

Pursuant to the Agreement, Enhancement has agreed to sell and Join Ally has agreed to purchase the entire issued share capital of Guru Star and Enhancement also has agreed to assign the related shareholder's loan to Join Ally:

THE AGREEMENT

1. Date

8 March 2010

2. Parties

(a) Vendor : Enhancement

(b) Purchaser : Join Ally, an indirect wholly-owned subsidiary of the Company

3. Information of the Guru Star Group and the Property

Guru Star is an investment holding company and the sole asset of significance held by the Guru Star Group is the Property. The Property is a completed 20-storey commercial and office building situated at 3 Beijing Road, Yuexiu District, Guangzhou, Guangdong Province, PRC and known as Newsun Commercial Building with a gross floor area of approximately 13,000 square metres. The Property is currently leased out for rental income with occupancy rate of approximately 85%.

The market value of the Property as at 31 December 2009 and 8 March 2010 was both RMB185,000,000 (equivalent to approximately HK\$210,227,000) based on the valuation by Savills. Comparing with the market value of the Property of RMB185,000,000 (equivalent to approximately HK\$210,227,000), the average price per square metre of the Property is approximately RMB14,230 (equivalent to approximately HK\$16,170). The original cost of the Property acquired by the Guru Star Group in May 2005 was approximately RMB95,000,000 (equivalent to approximately HK\$108,000,000).

The Property is currently mortgaged to a bank and the outstanding mortgage loan amount as at 31 January 2010 was approximately RMB39,027,000 (equivalent to approximately HK\$44,349,000).

The audited net profit before and after tax attributable to the Guru Star Group for the year ended 31 March 2008 were approximately HK\$14,864,000 and HK\$11,026,000 respectively. The audited net loss before and after tax attributable to the Guru Star Group for the year ended 31 March 2009 were approximately HK\$16,825,000 and HK\$12,699,000 respectively. Such losses, being non-cash items, were primarily due to

LETTER FROM MENLO CAPITAL

the drop in the carrying value of the Property after the Global Financial Crisis in the second half of 2008 which resulted in a revaluation loss of approximately HK\$21,537,000 for the year ended 31 March 2009. As the global economy has been steadily recovering in 2009, the market value of the Property rebounded to RMB185,000,000 (equivalent to approximately HK\$210,227,000) as at 31 December 2009.

As at 31 January 2010, the unaudited consolidated net assets of the Guru Star Group (which has already taken into account of the revaluation of the Property to its market value) was approximately HK\$101,085,000 and the amount of related shareholder's loan was approximately HK\$43,126,000.

The unaudited consolidated net assets of the Guru Star Group as at 31 January 2010, which includes cash and bank balance of HK\$10,822,000, is based on its audited financial information as at 31 December 2009 and its unaudited management accounts for one month ended 31 January 2010. A provision for deferred tax of HK\$29,271,000 on revaluation gain of the Property has been made in the unaudited management accounts and has also been taken into account in determination of the unaudited consolidated net assets of the Guru Star Group as at 31 January 2010.

Upon completion of the Agreement, Guru Star shall become a wholly-owned subsidiary of Join Ally, which in turn is an indirect wholly-owned subsidiary of the Company.

4. Consideration and Payment Terms

The aggregate cash consideration for the acquisition of the entire issued share capital of Guru Star and the assignment of related shareholder's loan is HK\$144,211,000 which is determined by reference to the unaudited consolidated net assets of the Guru Star Group together with the shareholder's loan as at 31 January 2010 and was agreed at after arm's length negotiations between the parties.

The aggregate cash consideration of HK\$144,211,000 will be payable in the following manners:

- (a) a refundable deposit of HK\$14,421,100 has been paid upon signing of the Agreement; and
- (b) the balance of the consideration of HK\$129,789,900 will be paid upon completion of the Agreement.

5. Completion

Completion of the Agreement is subject to and conditional on the following conditions being fulfilled or waived:

- (a) the passing of an ordinary resolution by the Independent Shareholders at the EGM to approve the Acquisition;
- (b) the passing of an ordinary resolution by the independent shareholders of Chinney at the Chinney EGM to approve the Acquisition;
- (c) if applicable, the granting of consent from bank or other third parties which are necessary in connection with the execution of and to give effect to the transactions contemplated under the Agreement and each of the documents to be executed on or before the completion of the Agreement have been obtained by the vendor and/or the purchaser;

LETTER FROM MENLO CAPITAL

- (d) there having been no breach by the vendor of any obligations, undertakings, representations and warranties under the Agreement;
- (e) there having been no breach by the purchaser of any obligations, undertakings, representations and warranties under the Agreement; and
- (f) the purchaser having been reasonably satisfied with the results of the due diligence review on the Guru Star Group.

Completion of the Agreement shall take place within three business days immediately after all of the conditions are fulfilled or waived (or such other date as the parties may agree in writing).

We have reviewed the Agreement. We are of the view that the Agreement is on normal commercial terms.

Consideration of the Acquisition

Based on the audited financial information of the Guru Star Group as of 31 December 2009 and the unaudited management accounts for the month ended 31 January 2010, the aggregate amount of the unaudited consolidated net assets and the shareholder's loan of the Guru Star Group was approximately HK\$144,211,000 as at 31 January 2010 (which has taken into account of the revaluation of the Property to its market value by Savills).

Valuation of the Property

Being stated in the valuation report on the Property from Savills, as set out in Appendix I to this circular, Savills' valuation of the Property is Savills' opinion of its market value which means "the estimated amount for which a property should exchange on the date of valuation between a willing buyer and a willing seller in an arm's-length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently, and without compulsion".

In valuing the Property which is to be held by the Group for investment, Savills has valued the Property by reference to comparable market transactions on the basis of the capitalization of the net incomes derived from the existing tenancies with due allowance for reversionary income potential of the Property.

In valuing the Property, Savills stated that they have complied with the requirements set out in Chapter 5 and Practice Note 12 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Valuation Standards on Properties published by the Hong Kong Institute of Surveyors.

We have also discussed with Savills the assumptions applied by them as set out in the valuation report. We consider that their assumptions are in line with the market practice and have no reason to doubt the assumptions applied by Savills in preparing the valuation report. However, we wish to draw the attention of the Shareholders that the assumptions made in the valuation report are by nature subject to future uncertainty.

LETTER FROM MENLO CAPITAL

In determination of the Guru Star Group's net assets, a deferred tax liability of approximately HK\$29,271,000 on revaluation gain of the Property has been provided for in the unaudited management accounts as at 31 January 2010. No actual tax payment is required not until the Property is disposed by the Guru Star Group. The management of the Company advised that the Property would be held for long term rental purpose and not for re-sale in the coming years. Hence, the aggregate cash consideration, which is already net of the potential deferred tax liability, for the acquisition of the entire issued share capital of Guru Star and the assignment of related shareholder's loan of HK\$144,211,000 is compared favourably to the actual underlying unaudited consolidated net assets and the shareholder's loan of the Guru Star Group as at 31 January 2010.

An analysis of the unaudited consolidated net assets of the Guru Star Group as at 31 January 2010 is as follows:

	<i>HK\$'000</i>
Carrying value of the Property	210,227
Cash and bank balance	10,822
Other assets	<u>299</u>
Total assets	221,348
Less: Bank mortgage loan	(44,349)
Shareholder's loan	(43,126)
Provision for deferred tax	(29,271)
Other payables	<u>(3,517)</u>
Unaudited consolidated net assets as at 31 January 2010	101,085
Shareholder's loan to be assigned	<u>43,126</u>
Consideration for the Acquisition	<u><u>144,211</u></u>

In addition to acquisition of the net assets of the Guru Star Group, the transaction will also substantially enhance the overall merger value of the Group's other three investment/development projects adjoining to the Property along Beijing Road.

Given the above, we consider the consideration of the Acquisition is fair and reasonable as far as the interests of the Company and the Shareholders are concerned.

We noted that the Company had proposed to acquire the Guru Star Group with a consideration of HK\$135,000,000 in late 2008, whereas by that time the market sentiment was bewildered by the uncertainty of the Global Financial Crisis. Now, as stated in the Board Letter, the management of the Company considers that the Global Financial Crisis is well on the track of steady recovery and the current proposed consideration for acquisition of the Guru Star Group has been determined at HK\$144,211,000 million after taking into account: (a) the market value of the Property as at 8 March 2010 as evaluated by Savills, the independent valuer, by reference to the latest comparable market transactions; and (b) the increased net assets of the Guru Star Group since the last proposed acquisition in late 2008 resulting from the rental income of the Property which has been retained in the Guru Star Group. Accordingly, we are of the view that the current consideration of HK\$144,211,000 is justified.

LETTER FROM MENLO CAPITAL

III. Financial Effects of the Acquisition

The aggregate cash consideration for the acquisition of the entire issued share capital of Guru Star and the assignment of related shareholder's loan is HK\$144,211,000.

The financial effects of the Acquisition will be as follows:

(i) Earnings

The management of the Company advised that the Property would be held for long term rental purpose and not for re-sale in the coming years. The Property is currently leased out for rental income with occupancy rate of approximately 85%. The rental income of the Property can contribute to the future earnings of the Group.

(ii) Net assets value

Based on the consideration for the Acquisition of HK\$144,211,000 being equivalent to the aggregate amount of the unaudited consolidated net assets and the shareholder's loan of the Guru Star Group as at 31 January 2010, there will be no impact on the net assets value of the Group immediately after the completion of the Acquisition.

(iii) Liquidity

The cash outflow for the consideration for the Acquisition is HK\$144,211,000. There is a negative impact on the liquidity of the Group in relation to the Acquisition. However, the cash outflow for settlement of the purchase consideration will be partially recovered from the bank and cash balance of approximately HK\$10,822,000 acquired from the Guru Star Group. Also, the Directors intend to refinance the Property basing on the current valuation of RMB185,000,000 for further funding from bank.

Based on the audited accounts of the Group as at 31 March 2009, the cash and cash equivalents and the net current assets were approximately HK\$324.5 million and approximately HK\$395.0 million respectively. The decrease of liquidity was affordable.

(iv) Gearing

The gearing of the Group as at 31 March 2009, reflected by the total liabilities of approximately HK\$2,092.2 million to the total equity of approximately HK\$3,294.3 million, was approximately 64%.

Based on the audited financial information of the Guru Star Group as at 31 December 2009, the Acquisition will result in an increase in total liabilities of the Group by approximately HK\$78 million and will not affect the total equity of the Group. Accordingly, the maximum increase of gearing position of Group will be from 64% to 66%. The impact on the gearing will be slight.

LETTER FROM MENLO CAPITAL

OPINION

Having taken into consideration of the above principal factors and reasons, in particular:

1. the Acquisition is in line with the ordinary course of business of the Group;
2. the acquisition of the Property will (i) substantially enhance the overall merger value of the Group's other three projects adjoining to the Property along Beijing Road; and (ii) capture potential capital gain and currency appreciation by making use of HK\$ fund to acquire RMB assets;
3. the Agreement is on normal commercial terms;
4. the consideration of the Acquisition being equivalent to the aggregated amount of the unaudited consolidated net assets and the shareholder's loan of the Guru Star Group is fair and reasonable to the Company and the Shareholders;
5. in relation to the Acquisition, the decrease in liquidity will be affordable and the gearing will be slightly increased; and
6. the Acquisition will enhance the earnings of the Group,

we considered that the Acquisition is in the interest of the Company and the Shareholders as a whole.

RECOMMENDATION

We are of the view that the Acquisition is in the ordinary course of business of the Company and in the interests of the Company and the Shareholders as a whole and that the Agreement is on normal commercial terms and the terms of the Agreement are fair and reasonable so far as the interests of the Independent Shareholders are concerned. Accordingly, we advise the Independent Board Committee to recommend the Independent Shareholders to vote in favour of the ordinary resolution to be proposed at the EGM to approve the Acquisition.

Yours faithfully,
For and on behalf of

29 March 2010

Dear Sirs,

RE: NEWSUN COMMERCIAL BUILDING (新光商務大廈), 3 BEIJING ROAD, YUEXIU DISTRICT, GUANGZHOU, GUANGDONG PROVINCE, PRC (THE “PROPERTY”)

In accordance with the instructions from Chinney Investments, Limited (“Chinney”) and Hon Kwok Land Investment Company, Limited (“Hon Kwok”) for us to value the property situated in the People’s Republic of China (the “PRC”), we confirm that we have carried out an inspection, made relevant enquiries and searches and obtained such further information as we consider necessary for the purpose of providing you with our opinion of value of the property as at 8 March 2010 (“date of valuation”) for incorporation in a circular.

Our valuation of the property is our opinion of its market value which we would define as intended to mean “the estimated amount for which a property should exchange on the date of valuation between a willing buyer and a willing seller in an arm’s-length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently, and without compulsion”.

The market value is the best price reasonably obtainable in the market by the seller and the most advantageous price reasonably obtainable in the market by the buyer. This estimate specifically excludes an estimated price inflated or deflated by special terms or circumstances such as atypical financing, sale and leaseback arrangements, joint ventures, management agreements, special considerations or concessions granted by anyone associated with the sale, or any element of special value. The market value of a property is also estimated without regard to costs of sale and purchase, and without offset for any associated taxes.

In valuing the property to be held by Hon Kwok for investment, we have valued the property by reference to comparable market transactions and on the basis of the capitalization of the net incomes derived from the existing tenancies with due allowance for reversionary income potential of the property.

We have been provided with copies of the title document relating to the property such as Real Estate Title Certificates. However, we have not inspected the original documents to verify ownership or to ascertain the existence of any amendments which may not appear on the copies provided to us. In the course of our valuation, we have relied to a considerable extent on the information given by Hon Kwok and its PRC's legal adviser, Guangdong Jindi Law Firm (廣東金地律師事務所), regarding the title to the property. We have also accepted advice given to us on such matters as planning approvals or statutory notices, easements, tenure, particulars of occupancy, site and floor areas and all other relevant matters. Dimensions, measurements and areas included in the valuation certificate are based on information contained in the documents provided by Hon Kwok to us and are therefore only approximations. No on-site measurements have been taken. We have had no reason to doubt the truth and accuracy of the information provided to us by Hon Kwok, which is material to our valuation. We have also sought confirmation from Hon Kwok that no material facts have been omitted from the information supplied.

We have inspected the exterior of the property. During the course of our inspection, we did not note any serious defects. However, no structural survey has been made, we are therefore unable to report whether the property is free from rot, infestation or any other defects. No tests were carried out on any of the services.

No allowance has been made in our valuation for any charges, mortgages or amounts owing on the property nor for any expenses or taxation which may be incurred in effecting a sale. Unless otherwise stated, it is assumed that the property is free from encumbrances, restrictions and outgoing of an onerous nature which could affect its value.

In valuing the property, we have complied with the requirements set out in Chapter 5 and Practice Note 12 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Valuation Standards on Properties published by the Hong Kong Institute of Surveyors.

Unless otherwise stated, all monetary amounts stated in this report are in Renminbi ("RMB").

We enclose herewith our valuation certificate.

Yours faithfully,
For and on behalf of
