NOTICE OF ANNUAL GENERAL MEETING**

I. INTRODUCTION

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the AGM relating to (a) the Share Issue Mandate, (b) the Repurchase Mandate and (c) the re-election of the retiring Directors.

* For identification purposes only

LETTER FROM THE BOARD

II. GENERAL MANDATE TO ISSUE SHARES

At the special general meeting of the Company held on 17 March 2010, the existing general mandate granted to the Directors to exercise the powers of the Company to issue and allot Shares will expire upon the conclusion of the AGM. It is therefore proposed to seek your approval of the Share Issue Mandate at the AGM to give a fresh general mandate to the Directors to exercise the powers of the Company to issue and allot Shares up to a maximum of 20% of the issued share capital of the Company as at the date of passing of the resolution approving the Share Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,052,323,719 Shares. Subject to the passing of the resolution approving the Share Issue Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Share Issue Mandate to allot, issue and deal with new Shares up to a limit of 210,464,743 Shares.

It will be proposed at the AGM two ordinary resolutions respectively (i) granting to the Directors the Share Issue Mandate, and (ii) authorising an extension of the limit of the Share Issue Mandate so granted by adding to it the number of Shares repurchased by the Company under the Repurchase Mandate, if granted.

Details of the Share Issue Mandate and the extension of the Share Issue Mandate are set out in Ordinary Resolutions nos. 4(A) and 4(C) respectively in the notice of the AGM.

III. GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 26 June 2009, a general mandate was given to the Directors to exercise the powers of the Company to repurchase Shares. Such mandate will lapse at the conclusion of the AGM. It is therefore proposed to seek your approval of the Repurchase Mandate at the AGM to give a fresh general mandate to the Directors to exercise the powers of the Company to repurchase Shares up to a maximum of 10% of the issued share capital of the Company as at the date of passing of the resolution approving the Repurchase Mandate.

Subject to the passing of the resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to a limit of 105,232,371 Shares.

It will be proposed at the AGM an ordinary resolution granting to the Directors the Repurchase Mandate, details of which are set out in Ordinary Resolution no. 4(B) in the notice of the AGM.

An explanatory statement as required under the Listing Rules to be sent to Shareholders in connection with the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the relevant resolutions.

VI. RECOMMENDATION

The Board is of the opinion that the ordinary resolutions in respect of (a) the Share Issue Mandate, (b) the Repurchase Mandate and (c) the re-election of the retiring Directors are each in the best interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends all Shareholders to vote in favour of the resolutions to be proposed at the AGM to give effect to them.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was HK\$105,232,372 divided into 1,052,323,719 Shares. Subject to the passing of the resolution granting the proposed mandate to repurchase the Shares and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 105,232,371 Shares, representing 10% of the issued share capital of the Company as at the date of passing the resolution approving the Repurchase Mandate, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on the terms favourable to the Company.

FUNDING OF REPURCHASES

Repurchase to be made pursuant to the proposed Repurchase Mandate would be financed out of funds legally available for the purpose in accordance with the Bye-laws and the applicable laws of Bermuda. The laws of Bermuda provide that any repurchase by the Company may be made out of the capital paid up on the purchased Shares or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided out of funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium accounts.

On the basis of the consolidated financial position of the Company as at 31 December 2009, being the date to which the latest published audited accounts of the Company were made up, the Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the current prevailing market value, it may not have a material adverse impact on the working capital position and gearing level of the Company. The Directors do

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

not propose to exercise the mandate to repurchase Shares to such an extent as would, in the circumstances, have a material adverse effect on the working capital position of the Company as compared with the position disclosed in the latest published audited financial statements or the gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

EFFECT OF THE TAKEOVERS CODE AND REPURCHASE CODE

Upon the exercise of the power to repurchase the Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Repurchase Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the register of interests maintained by the Company pursuant to Section 336 of the SFO showed that the Company has been notified of the following interests, being 5% or more of the Company's issued share capital:

Name of Shareholder	Note	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Zhong Da (BVI) Limited	<i>1</i>	294,004,000	27.9%	31.0%

Note:

1. The 294,004,000 Shares are held by Zhong Da (BVI) Limited which is beneficially owned as to 57.22% by Mr. Xu Lian Guo and as to 42.78% by Mr. Xu Lian Kuan respectively.

As at the Latest Practicable Date, Zhong Da (BVI) Limited was the only substantial shareholder of the Company holding more than 10% of the issued share capital of the Company. In the event that the Directors should exercise in full the power to repurchase Shares under the Repurchase Mandate, the shareholding of Zhong Da (BVI) Limited in the Company would be increased to approximately 31.0% of the issued share capital of the Company. Such increase would give rise to Zhong Da (BVI) Limited an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. However, the Company has no present intention to repurchase Shares to such extent as to result in any mandatory offer to be made by Zhong Da (BVI) Limited under Rule 26 of the Takeovers Code. The exercise of the Repurchase Mandate in full will not give rise to the number of Shares held by public to be reduced to less than 25% of the issued share capital of the Company.
